

Project	Request	Type	Category	Country Reference	Description
Webmaccs	013380	Enh.		FB	Missing home address caused error on entering a booking, fixed for stsl.
Webmaccs	013360	Enh.		FB	Removed bookings-unblocking through credit remarks mechanism because it caused blocking rules to be ignored.
Webmaccs	013336	Enh.		FB	A single quote character in a title caused an invalid URL for the return submission screen. This has been fixed.
Webmaccs	013305	Enh.		FB	Overdue Invoice block message shortened.
Webmaccs	013304	Enh.		FB	Added 'next' button to the invoices screen that is shown after the invoice-blocking screen, that takes you to the "pay invoices" screen.
Webmaccs	013303	Enh.		FB	On the Overdue invoices screen text and button were displaced, this was fixed.
Webmaccs	013301	Enh.		FB	Overdue Returns now blocks new bookings after 7 days by default, or aftr the number of days specified in the new option 'Webmaccs : Returns submission period'
Webmaccs	013294	Enh.	General	FB	Add Licensee now brings up a list of Licensees and Add Cinema brings up a list of Cinemas.
Webmaccs	013293	Enh.	General	FB	Removed text PLEASE ENTER LICENCE YEAR from pvsl or coach license purchase screen
Webmaccs	013288	Enh.	General	FB	Changed possible values and defaults for blanket licences licence year.
Webmaccs	013287	Enh.	General	FB	Blanket licens purcahes: field year changed to a dropdown, that shows multiple years when they are available.
Webmaccs	013286	Enh.	Booking	FB	STSL Bookings: Allow zero boxoffice returns
Webmaccs	013203	Enh.		FB	Solved the expired message which took you to the launch servoy client screen.
Webmaccs	013187	Enh.	General	FB	The first time a customer wants to purchase a blanket licence the organization type now defaults to the organization type that was entered on registration.
Webmaccs	013181	Enh.		FB	For new licensees the default territory is added to the licensee details instead of to the authorized territories
Webmaccs	013180	Enh.		FB	For new multi-venue bookers a delivery address entry screen was displayed, this has been removed.
Webmaccs	013172	Enh.		FB	Applying as a multi-venue customer now adds the right profile ticks.
Webmaccs	013168	Enh.		FB	A multi-venue STSL customer now has an "Add Cinema" button, a multi-PVSL/Coach/DVD customer has an "Add Licensee" button.
Webmaccs	013018	Enh.	General	FB	For new applications it was possible to enter a value in text fields that was larger than would fit in the database column, causing errors later on in the registration process. Added validations for the length of these fields.
