

Project	Request	Type	Category	Country Reference	Description
Webmaccs	013306	Enh.		FB	Fixed issues that caused changing the username or changing the password to lead to an unusable login.
Webmaccs	013381	Enh.	Booking	FB	Under certain circumstances an error occurred in the booking process, if there was no Home address for the customer (fixed).
Webmaccs	013388	Enh.		FB	Tidy up of booking screen: - display of organisation if only 1 available - dropdown arrows title/format - added "Select format" option to format dropdown
Webmaccs	013389	Enh.	Invoice Print	FB	Invoice screen: fixed Print button that should print the list of invoices; textual changes.
Webmaccs	013390	Enh.		FB	Added dropdown buttons to application forms.
Webmaccs	013408	Enh.		FB	Changed the link that is sent in PVSL registration confirmation email to include "www."
Webmaccs	013437	Enh.		FB	Added explanation text to account application form.
Webmaccs	013438	Enh.		FB	Added text and print button to PVSL/Coach/DVD invoice preview.
Webmaccs	013439	Enh.		FB	Added "make sure you have your card ready if you want to pay online" text to my filmbank screen for blanket license customers.
Webmaccs	013476	Enh.	Prints	FB	The number of prints for a booking can not be changed to 0 on the edit booking screen.
Webmaccs	013477	Enh.	Booking	FB	Editing a booking could result in a confirmation email with unusual start/end date (fixed).
Webmaccs	013490	Enh.		FB	Under certain circumstances an error occurred when trying to navigate to the box office returns submission screen (fixed).
Webmaccs	013498	Enh.	Booking	FB	Payers with multiple cinemas were able to create a booking for an expired cinema (fixed).
Webmaccs	013506	Enh.		FB	Added a new option 5788 (y/n) that defines whether to show the apply button on the login screen. Filled this option with 'n' to hide the button for now.
Webmaccs	013520	Enh.		FB	Setting the "Hide apply button" option was hiding all apply buttons, when it should only hide the apply button on the login form (fixed).
Webmaccs	013521	Enh.		FB	Removed dropdown arrow inconsistencies on application form and booking form STSL.
Webmaccs	013525	Enh.		FB	Made warning texts display in yellow on application form and pvsl my filmbank form.
Webmaccs	013531	Enh.	Booking	FB	For new bookings expired cinemas are not shown, but when enquiring on bookings expired cinemas are included in the list.
Webmaccs	013571	Enh.		FB	Fix for VAT Overcharging issue: The calculation for Box Office net did not subtract VAT from the gross amount before calculating the film rental, if the booking was entered in MACCS and the returns were entered in Webmaccs. If the booking was entered in Webmaccs then VAT was subtracted, but an incorrect VAT percentage was used.

Project	Request	Type	Category	Country Reference	Description
Webmaccs	013592	Enh.		FB	Moved warning about on-line payment to licence renewal screen for pvsl/coach/dvd.
Webmaccs	013639	Enh.		FB	Adding a new cinema to a booker fails when generating the code local (fixed).
Webmaccs	013642	Enh.		FB	Forgot password screen: e-mail with password sent to incorrect address or didn't be sent at all (fixed).
Webmaccs	013692	Enh.	Invoicing	FB	Paying an already partly paid invoice lead to an overpayment for the invoice in MACCS (fixed).
